&&&&&&&&&&&&&&&&&&&&

With reference to your D.O. dated the 20th March 1919 calling for a report with regard to the qualifications Etc., of one Hiriyanniah now residing at Budihal who intends to start in Kanarese a monthly journal called " Deshabhudaya ", I have the honor to state as follows:-

On making confidential enquiries at Budihal on 30-3-1919, it is learnt that this Hiriyannaiah is the registered Shanbhogue of Yagati Circle in Kadur Taluk and possesses lands and a house at Yagati. He has got two undivided brothers one of whom is the registered Shanbhogue of another circle and the other the registered Patel of a village. His undivided brothers are managing the domestic affairs at Yagati.

This Hiriyannaiah is about 25 years of age. He has completed the S.S.L.C. course in the S.P.G. College, Trichinopally and the entrance course to the National University in the Wood College, Madanapally. He has also studied in the National College of Commerce, Madras for 4 months with a specialising subject called "Journalism". It is also learnt that he has worked in the Sadhvi Press at Mysore for one month and that he has been giving articles in Kannada to Sadhvi and Sampadabhudaya for the last two years. On a perusal of some of his articles in Sampadabhudaya I am of opinion that he possesses a fair knowledge of English and Kanarese and is capable of conducting the paper in question. In some of his articles he has translated the lectures delivered by Mrs.Annie Bessant. He has also dealt with theosophical questions in some of his articles. His writings in some cases are interesting and instructive. He also seems to have a knowledge of Sacred Hindu Books such as, Mahabharata, Bhagavatha and Ramayana . His character and conduct are also reported to be

good. He is living alone at Budihal is taking his meals in the house of Head Master, Krishnappa.

One thing which I would like to bring to your notice is that it is unlikely that he will stick on at Budihal continuously for a long period. He was at Budihal for about 3 months in the year 1916 when he served as an English School Master and thence went away to prosecute his studies. As funds ran short with him, he gave up his studies and has now come to Budihal and is staying there for the last 4 months and is again serving as English School Master. It is likely that he might cut away from Budihal again when he has made some money to prosecute his studies further.

---------000----------

With reference tp your C.J. No.281 of 18-19 dated 17th Januaru 1919 and subsequent reminder thereon calling for a report regarding the character and antecedents of Y.S. Hiriuanna, Assistant Master V.E. School, Budihal, I have the honor to state that I proceeded to Budihal on 9-3-1919 and personally interviewed him. Whatever information I considered necessary, I elicited from him and have embodied the same in a statement hereto attached.

So far in my enquiries, I heard nothing prejudicial to him and I consider the applicant to be of good character and fair attainments. I do not think his age and attainments are sufficient for responsible Journalism but having regard to the modest attempt contemplated by him and it is practically amounts to the publication of a pamphlet monthly for which the subscription and number of subscribers is comparatively small, I would recommend the grant of the permission sought by him.
